Disagreement Over Size of Loss: If there is a disagreement about the amount of the Loss either You or the Company can make a written demand for an appraisal. After the demand, You and the Company will each select Your own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the Loss. If they do not agree, they will select an arbitrator. Any figure agreed to by two of the three (the appraisers and the arbitrator) will be binding. The appraiser selected by You is paid by You. The Insured must help the Company preserve its rights against those responsible for its Loss. This may involve signing any papers and taking any other steps the Company may reasonably require. If the Company takes over an Insured's rights, the Insured must sign an appropriate subrogation form supplied by the Company.

As a condition to receiving the applicable benefits listed above, as they pertain to this Subrogation provision, the Insured agrees, except as may be limited or prohibited by applicable law, to reimburse the Company for any such benefits paid to or on behalf of the Insured, if such benefits are recovered, in any form, from any Third Party or Coverage.

The Company will not pay or be responsible, without its written consent, for any fees or costs associated with the pursuit of a claim, cause of action or right by or on behalf of an Insured or such other person against any Third Party or Coverage.

Coverage - as used in this Subrogation section, means no fault motorist coverage, uninsured motorist coverage, underinsured motorist coverage, or any other fund or insurance policy except coverage provided under this Policy and any fund or insurance policy providing the Insured with coverage for any claims, causes of action or rights the Insured may have against the Company.

Third Party - as used in this Subrogation section, means any person, corporation or other entity (except the Insured and the Company).

SECTION VI

GENERAL PROVISIONS

Entire Contract; Changes. This Policy, Schedule of Benefits, Application and any attachments are the entire contract of insurance. In the absence of fraud, all statements made by the Insured will be considered representations and not warranties. No agent may change it in any way. Only an officer of the Company can approve a change. Any such change must be shown in this Policy or its attachments.

Acts of Agents. No agent or any person or entity has authority to accept service of the required proof of loss or demand arbitration on the Company's behalf nor to alter, modify, or waive any of the provisions of this Policy.

Company's Recovery Rights. In the event of a payment under this Policy, the Company is entitled to all rights of recovery that the Insured, or the person to whom payment was made, has against another. The Insured must sign and deliver to the Company any legal papers relating to that recovery, do whatever is necessary to help the Company exercise those rights, and do nothing after the loss to harm the Company's rights. When an Insured has been paid benefits under this Policy but also recovers from another policy, the amount recovered from the other policy shall be held in trust for the Company by the Insured and reimbursed to the Company the extent of the Company's payment.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any Insured whose Loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to perform an autopsy in case of death where it is not forbidden by law.

Beneficiary Designation and Change. The Insured's beneficiaries are the persons designated by the Insured and on file with Tin Leg or the beneficiaries as shown in the Payment of Claim: To Whom Paid provision.

An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, without the consent of the designated beneficiaries, unless an irrevocable designation has been made, by providing Tin Leg with a written request for change. When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

Conformity with State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which this Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Clerical Error. Clerical error, whether by the Insured or the Company, will not void the insurance of any Insured if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Arbitration. The Company and one or more Insured(s) with respect to the rights of such Insured(s) under this Policy shall be submitted to binding arbitration, which shall be the sole forum for the resolution of disputes under or in connection with this Policy, upon the written request of any Party. The Commercial Arbitration Rules of the American Arbitration Association shall apply, except with respect to the selection of arbitrators, the payment of arbitration fees and costs, the location and the entry of the arbitration award.

Selection of Arbitrators: One arbitrator shall be chosen by one side and another arbitrator by the other side, and a third arbitrator shall be chosen by the first two arbitrators before they enter into arbitration. All arbitrators shall be disinterested.

Payment of Arbitration Fees and Costs: Each side shall pay the fee of its chosen arbitrator and half the fee of the third arbitrator. The remaining costs of the arbitration, including legal fees and disbursements, shall be paid as the written decision of the arbitrators directs, with it being expressly understood that the intention is to favor reimbursement of such fees and expenses to an insured that has brought a meritorious dispute. The fees to be borne by a side consisting of more than one Party shall be divided equally among such Parties.

Location: Any arbitration hereunder shall take place in New York, New York, unless otherwise mutually agreed upon by the two sides.

Entry of Arbitration Award: Judgment upon an arbitration award hereunder may be entered in, and enforced by, any court of competent jurisdiction.

Concealment or Fraud. The Company does not provide coverage if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to this Policy or claim.

Payment of Premium. Coverage is not effective unless all premium due has been paid to Tin Leg prior to a date of Loss or insured occurrence.

Termination of this Policy. Termination of this Policy will not affect a claim for Loss if the Loss occurred while this Policy was in force.

Transfer of Coverage. Coverage under this Policy cannot be transferred by the Insured to anyone else.

Insurance With Other Insurers. If there is other valid coverage with another insurer that provides coverage for the same Loss, the Company will pay only the proportion of the Loss that this Company's Limit for that Loss bears to the total limit of all insurance covering that Loss, plus such portion of the premium paid that exceeds the pro-rata portion for the benefits so determined.

Controlling Law. Any part of this Policy that conflicts with the state law where this Policy is issued is changed to meet the minimum requirements of that law.
