American Modern Insurance Group

PRIVACY NOTICE AND NOTICE OF INFORMATION PRACTICES

The companies of the American Modern Insurance Group ("American Modern") respect you and your right to privacy. We value your trust. So, we want you to know our policies and procedures that protect the privacy of your Nonpublic Personal Information (NPI). We also want you to know your rights regarding NPI that we receive about you. Thirdly, we want you to know how we gather NPI about you and how we protect its privacy.

In the course of doing business, we receive NPI related to insurance products and services we provide. These products and services are primarily for personal, family and household purposes. We currently do not share your NPI with any third parties not affiliated with American Modern except as required or permitted by law. We have no intention of doing so without proper authorization from you.

The terms of this Notice apply to individuals who inquire about or obtain insurance from one of the American Modern companies. We will send current policyholders a copy of our most recent Privacy Notice and Notice of Information Practices. We will do so at least annually. We will also send you a Notice if we make changes affecting your rights under our privacy policy. We reserve the right to modify or supplement our privacy policy at any time in accordance with applicable law. This Notice applies to current and former customers of American Modern. This Notice does not in any way affect your insurance coverage. You can find this Notice online on our Website at www.amig.com.

I. WHAT KIND OF INFORMATION WE COLLECT ABOUT YOU

We get most of our NPI about you directly from insurance applications and other forms that you or your insurance representative provide to us. Some examples of NPI include your name, address, income level, Social Security number and certain other financial information. Often, the NPI you provide to your insurance representative at the time you apply gives us everything we need to evaluate you or your property for insurance purposes. But, there are times when we may need more NPI or may need to verify NPI that you have provided. In those cases, we may obtain NPI from outside sources. We will do so at our own expense.

It is common for an insurance company or other financial services company to contact independent sources. Such sources verify and supplement NPI given on an application for insurance or other financial services products. There are many such independent companies. These are commonly called "consumer reporting agencies". They are in the

business of providing independent NPI to insurance companies. We will treat the NPI we receive about you from independent sources according to the terms of this Notice.

You have the right to contact any of the agencies we have used to prepare a report on you. If you wish, please submit your request in writing to the address shown below. Upon our receipt of your written request, we will provide you with the name and address of any agency used to prepare a report on you. Please note that your request must follow the procedures outlined under Sections V. and VI. below.

Once you become a customer of ours, our records on you may contain NPI about our experiences and transactions with you. Such NPI may include coverage, premiums and payment history. It may also include any claims you make under your policy. Any NPI that we collect in connection with a claim will be kept in accordance with this Privacy Notice. We will keep NPI collected by a claims representative and any police or fire report. We may, though, give NPI about claims to one or more insurance support organizations or another insurer. We may do so to underwrite a risk properly. We may also do so to prevent or prosecute fraud, or to detect criminal activity. We may also obtain NPI about you from a report prepared by an insurance support organization. The NPI may be kept by the support organization and provided to other persons.

Each American Modern company may disclose NPI about you to an affiliate regarding its transactions and experiences with you for marketing purposes without obtaining prior authorization. The law does not allow customers to restrict this disclosure. Such NPI may include your payment and claims history. We do not currently share other credit-related NPI about you, except as allowed or required by law.

II. WHAT WE DO WITH INFORMATION WE COLLECT ABOUT YOU

We will keep NPI we have about you in our insurance policy or other records. We will refer to and use that NPI in order to issue and service insurance policies and other financial products. We will also use it to settle claims. Generally, we will not disclose NPI about you in our records to any organization not affiliated with American Modern without your prior permission. But, we may, as allowed by law, share NPI about you contained in our records with certain persons or organizations that are not affiliated with American Modern such as:

- * your insurance representative;

- * medical professionals;
- * other insurance companies, agents or consumer reporting agencies as NPI is needed in connection with any insurance application, policy or claim involving you;
- * our affiliated companies;
- * persons who represent you in a fiduciary capacity, including your attorney or trustee, or who have a legal interest in your insurance policy;
- * persons or organizations who use the NPI to perform a business, professional or insurance function for us;
- * persons or organizations that conduct research, including actuarial or underwriting studies, provided that no individual NPI may be identified in any research study report;
- * adjusters, appraisers, auditors, investigators and attorneys;
- * persons or organizations that perform services, functions or marketing services on our behalf or to other financial institutions with whom we have joint marketing agreements; and
- * a court, state insurance department or other government agency pursuant to a summons, court order, search warrant, subpoena, or as otherwise required by law or regulation.

Health Information

Except as allowed or required by law, we will not use or share any personally identifiable health information about you, other than as follows. We will use such information to underwrite or administer your policy, claim or account, or in a manner as previously disclosed to you by us when we collected it. The above will not apply if we have obtained your written consent to share information.

III. RESPONSIBILITIES OF OTHER PARTIES

This Notice applies only to the American Modern companies. It does not necessarily reflect the privacy standards of other financial institutions or independent agents with whom you do business. Their privacy policies and information practices govern how they collect, use and disclose NPI about you. As described above, we may disclose your nonpublic personal financial or health information to third parties. When we do so, we will require them to use such NPI only for its intended purpose in accordance with applicable law.

IV. WHO HAS ACCESS TO YOUR INFORMATION IN OUR RECORDS

At present, American Modern uses a system of passwords and other physical, electronic and procedural safeguards to protect your NPI. They are designed to protect confidentiality, limit access, and prohibit unlawful disclosure of your NPI. We train our employees about the policies and rights provided under this Notice. We also train them on the importance of protecting customer NPI. Employees who violate our policy in any way are subject to being disciplined. This could include actions up to and including termination of employment. Also, we evaluate our information security practices relevant to changes in technology. We will do so to determine ways to increase the protections outlined above.

V. HOW YOU CAN REVIEW RECORDED INFORMATION WE HAVE ABOUT YOU

Access to Information

You have the right to review and receive most of the NPI we collect about you. As permitted or required by law, some legal and medical documents will not be provided. To access your NPI, please submit a notarized request to the address shown in Section VI. We will need your complete name, address, policy number, daytime phone number and a copy of your driver's license or other personal identification. We will respond to your request within thirty (30) days unless state law requires us to respond earlier. We will let you know the nature and substance of the NPI about you in our files. We will tell you with whom we have shared the information in the last two years. We will identify the source of the information if the source is an institutional one.

Correction of Information

If you believe your NPI is incorrect, please send a notarized request for correction to the address shown in Section VI. We will need your complete name, address, policy number, daytime phone number and a copy of your driver's license or other personal identification. We will respond to your request within thirty (30) days unless state law requires us to respond earlier.

If we agree with you, we will correct the NPI and notify you of the correction. We will notify any person who may have received the incorrect NPI from us in the past two years if you ask us to contact that person. We will also provide the corrected information to any insurance support organization to which we have provided your NPI within the last seven years.

Claim Documentation

The following is a general guideline for the types of additional claim documentation that will be needed in addition to your completed claim form.

For All Claim Types:

Payment Information - a copy of your trip itinerary and copies of all invoices, credit card statements and canceled checks evidencing your payment for the trip.

Expense Reimbursement - any documentation of expenses for which you are requesting reimbursement, such as: tickets, receipts, and bills (retain originals for your records).

Cause of Your Loss - any documentation substantiating the reason for your claim such as: reports from an airline or other carrier detailing the cause of a travel delay; or for a sickness or injury, documentation of the treatment received, etc.

Trip Cancellation or Interruption Claims:

Refund Information - original unused non-refundable tickets; copies of invoices, credit card statements or other written documentation substantiating the non-refundable costs for your trip (retain originals for your records); and a copy of the travel supplier's literature that details the cancellation terms and conditions (i.e. penalties assessed when a trip is canceled or interrupted). All refundable airline tickets should be sent to the issuing party for the appropriate refund. Submitting refundable airline tickets to our office may delay your claim.

Medical Expense Claims:

Additional Forms - a signed "Authorization for Release of Information" form (included with your claim form).

Expense Reimbursement - copies of itemized bills and/or statements from medical providers for services rendered in connection with your claim (retain originals for your records). These bills and/or statements must include the date of service, the service rendered, the charge for each service, and the diagnosis.

Baggage and Baggage Delay Claims:

If you incur a delay, loss or damage to your property occurred while in the care of a public carrier (airline, busline, taxi, ship, etc.) or other responsible party (hotel, restaurant, etc.), you must provide us with evidence of payment, claim denial, or other disposition from the responsible party (retain originals for your records).
