MEDICAL EVACUATION AND REPATRIATION OF REMAINS

Emergency Medical Evacuation

We will pay, subject to the limitations set out herein, for Covered Emergency Evacuation Expenses reasonably incurred if You suffer an Injury or Emergency Sickness that warrants Your Emergency Evacuation while You are on a Covered Trip.

Benefits payable are subject to the Maximum Amount per Insured shown on the Confirmation of Benefits for all Emergency Evacuations due to all Injuries from the same Accident or all Emergency Sicknesses from the same or related causes.

A legally licensed Physician, in coordination with the Assistance Company, must order the Emergency Evacuation and must certify that the severity of Your Injury or Emergency Sickness warrants Your Emergency Evacuation to the closest adequate medical facility. It must be determined that such Emergency Evacuation is required due to the inadequacy of local facilities.

The certification and approval for Emergency Evacuation must be coordinated through the most direct and economical conveyance and route possible, such as air or land ambulance, or commercial airline carrier.

Transportation to Join You: If You are hospitalized for more than seven (7) days, We will pay subject to the limitations set out herein, for expenses to bring one person chosen by You to and from the Hospital or other medical facility where You are confined if You are alone, but not to exceed the cost of one round-trip economy airfare ticket.

Non-Emergency Medical Evacuation

In addition to the above covered expenses, if We have previously evacuated You to a medical facility, We will pay Your airfare costs from that facility to Your primary residence, within one year from Your original Scheduled Return Date, less refunds from Your unused transportation tickets. Airfare costs will be economy, or first class if Your original tickets are first class. This benefit is available only if it is not provided under another coverage in the policy.

Expenses are also payable for a non-emergency Medical Evacuation, including medically appropriate Transportation and medical care en route, to a Hospital or to Your place of residence in the U.S. or Canada, when deemed medically necessary by the attending Physician, subject to the prior approval of the Assistance Company.

Hospital of Choice: You may choose a non-emergency Medical Evacuation to a Hospital in a city within the U.S. or Canada other than Your city of residence, but the maximum amount payable is limited to the cost of a Medical Evacuation to Your home city of residence.

We will also pay for reasonable additional meals, lodging, and transportation expenses incurred by You (up to \$200 a day, to a maximum of \$1,000) if a Traveling Companion must remain hospitalized or if You must extend the Covered Trip with additional hotel nights due to a Physician certifying You cannot fly home due to an Injury or a Sickness that does not require hospitalization.
